

LET'S CREATE OUR MURAL INSPIRED BY ONE OF THE 17 SUSTAINABLE DEVELOPMENT GOALS OF THE 2030 AGENDA

1. **FILL OUT** the project form by choosing **ONE** of the 17 **GOALS** of the 2030 Agenda.
2. **WRITE** what you want to represent and why, what you want to communicate, by looking for **10 WORDS** that tell your idea.
Explain why it interests you and **WHAT YOU WANT TO DEPICT**, your graphic idea.
3. **WRITE WHAT YOU NEED:** what **IMAGES** (REFERENCES) should you look for to insert and compose in your mural?
MUST NOT use ready-made images, but you must **compose THREE or more images** to create an **ORIGINAL** image, **DESIGNED AND IMAGINED** by you.
4. **CHOOSE** a photo of a building from those provided by the teacher to draw your project on, and **upload it to Sketchbook**.
5. **SEARCH** for the images for your project online and **insert them in DIFFERENT LAYERS**.
6. **DEVELOP** your digital image with a **PICTORIAL style**: you must consider that it is **FEASIBLE** by painting it on a real wall.
